

You can now transform your home with the most authentic uPVC sash windows on the market

Rose  
*Ultimate*  
Part of the Rose Collection

The most  
*Beautifully  
Crafted*  
authentic uPVC sash windows

The sash window that's made with uPVC but  
mechanically jointed just like timber.

Internal Ovolo detail

Full Mechanical Joints

Woodgrain Finish

Restrictors  
(Optional extra)

Bespoke Cam Catch  
(Optional extra)

*Designed to replicate the fine details of an original timber sash, the Ultimate Rose is the pinnacle of uPVC sash windows. Features include:*

- Full mechanical joints - no welds used on the window, mimicing traditional joinery.
- Run-through horn - continuous part of the sash
- Woodgrain finish - tones down the uPVC effect

- Bespoke traditional furniture (optional extra)
- Limit stops for enhanced safety and security (optional extra)
- Authentic surface mounted astragal bars - in a range of period designs
- Modern benefits include:
  - Energy 'A' rating as standard
  - Tilt facility for easy cleaning
  - Maintenance free - no more painting!
