COMPOSITE DOOR COLLECTION

INTRODUCING THE GALLERY COMPOSITE DOOR

Make A Statement

Whether you're returning home from a busy day or welcoming a visitor, you want your front door to create a great first impression so only the most stunning doors feature in our collection.

Take inspiration from our contemporary and traditional door styles to choose the look which compliments your home. Bold colours, finished to modern technical standards will not only enhance the appearance of your home but require virtually no maintenance so you can relax in the knowledge that the hard work has been done for you.

Make An Entrance

Let your door really make an entrance by selecting stylish accessories. Handles can be fitted in either modern handle positions or choose a more traditional door pull fitted centrally together with the heritage lock position.

Stunning glazing options allow you to flood your hallway with light, compliment the colour of the door with coloured glass, or maintain your privacy by choosing a solid door panel.

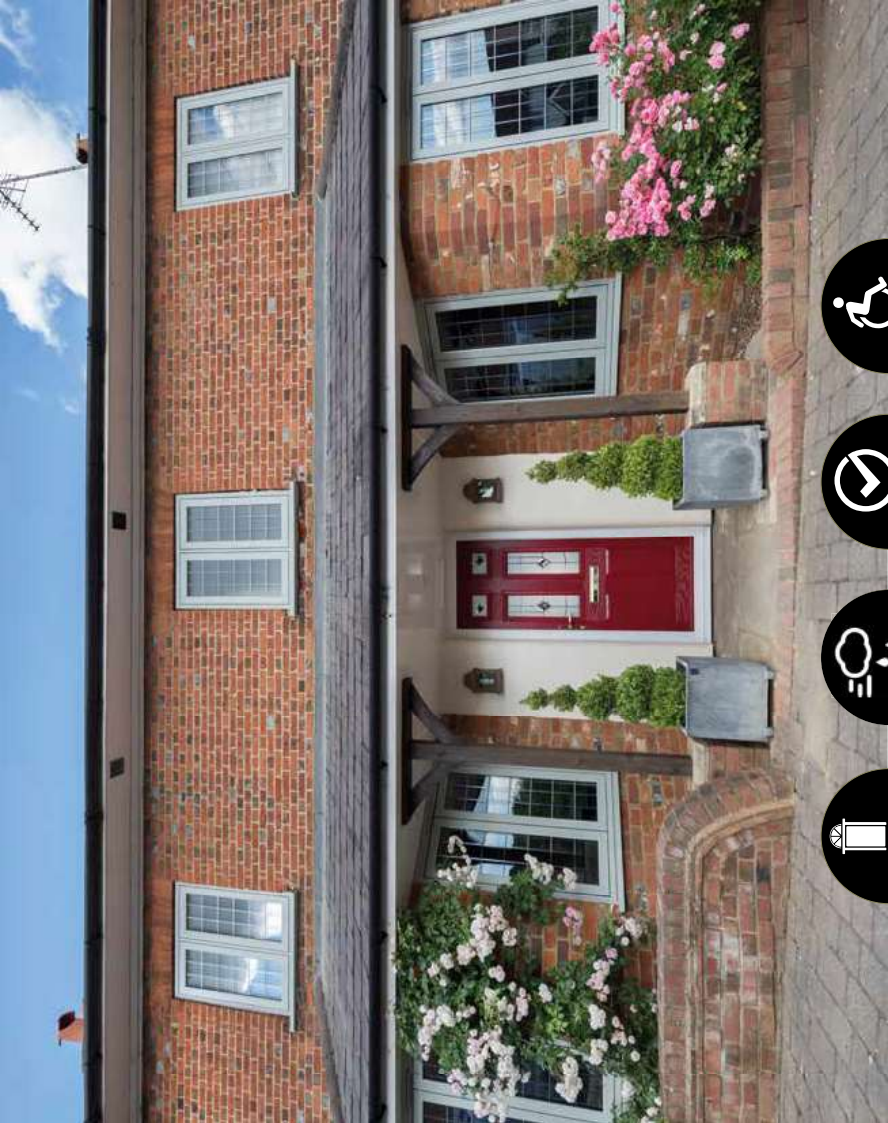

No need to worry about heat loss either as our doors are well insulated and we only use the most energy efficient glass.

FITTED AS STANDARD

★★★★
ULTION

Home Defence System

Our Composite Door Collection is a complete range of thermally efficient composite doors manufactured to the highest quality standards. Choose from Traditional or Contemporary Styles to best suit your home.

We can also offer toplights and sidelights to accompany your door when required in either a matching composite side panel or glass options.

For disabled access we offer a Building Regulations Part M compliant aluminium threshold.

ULTION HOME DEFENCE SYSTEM

★★★★
£2000
GUARANTEE

If an intruder snaps Ultion and breaks into your home we'll pay you £2000

Read all about Ultion on page 42.

How many times have you thought... have I locked my door?

We've all been there! With Kubu you'll never have to worry if your door is unlocked again.

Kubu uses smart and simple technology to monitor your lock in real time. You'll be able to check the status of your door no matter where you are, at any time of the day, right from the Kubu app on your phone.

All our doors can be equipped for Kubu smart – sensor technology. Simply visit www.kubu-home.com once your door is fitted, and you will never have to worry about whether you remembered to lock your door again. With Kubu say goodbye to uncertainty and hello to peace-of-mind.

Be sure it's secure

What does the Kubu App do?

- It lets you see the status of your door (locked/unlocked)
- From any place in the world.
- At anytime, day or night.
- On all the doors in your home.
- On all the homes that you look after.
- Get notifications with every turn of the key.
- You can schedule notifications when you want.
- It shows the history of your doors.
- You can share your door with family and friends.
- Its perimeter feature stops you leaving your home unlocked.

Peace-of-mind with a 10 Year Security Guarantee and 10 Year Mechanical Warranty

“Kubu gives me peace of mind; I can check if my daughter locked the door on her way out.”

“I no longer have that nagging doubt about whether I remembered to lock the door; I just quickly check the app”

Kubu smart locks are only available on doors with Lever/Lever or L/Pad handles

Lock Position Options

Sometimes the small details really make the difference. That's why we've even considered lock positions when it comes to creating the perfect door. Simply choose the option that best suits you to add the personal finishing touch.

High Level Lock

The High Level Lock option allows you to place the lock higher up the door for all slam shut designs.

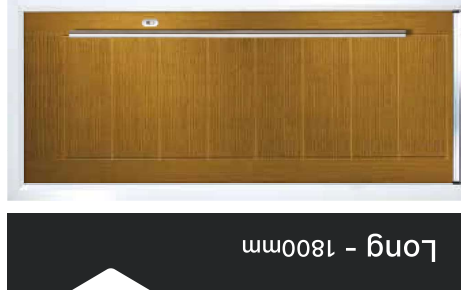

Low Level Lock

The Low Level Lock option places the lock in the central region of the door*

Pull Bar Length Options**

Big and chunky, small and dainty, the choice is yours. We have various pull bar lengths to let you add yet another personal stamp on your chosen door. Simply choose an option and we'll do the rest!

Long - 1800mm

Medium - 1200mm

Short - 600mm

**Pull bars will be fitted outside as standard with a thumbturn inside.

*Cylinder position may vary depending on the size of the door and threshold choice as each door is bespoke and made to order. Images are for illustration purposes only. Check with your Installer for more details.

Traditional Doors

Traditional doors, replicating popular timeless designs, feature defined mouldings and realistic wood-grain embossing. Suitable for a variety of homes, these doors enhance entryway appearance. With a vast selection of styles, colours, and decorative glass options, they cater to diverse tastes. Furniture can be tailored, including the choice of finger pulls instead of standard lever handles.

Contemporary Doors

Grained contemporary doors replicate modern timber door styles. With colour matching cassettes to frame the glass, they offer a range of modern designs with a wide choice of glazing options.

Many doors offer the option of central glazing or offset glazing on the hinge side.

Glazed Sidelights and Toplights

For our Glazed Sidelights, there is an option for a full glazed or a split glazed with a centre transom. Complementary glass is also available to match up with many of our decorative units. All toplights and sidelights must be coupled to the composite door.

Obscured Glass Options

All our door styles are also available in a standard range of carefully selected obscured glass options.

With a multitude of frame options and decorative glass choices, sidelights and toplights are designed to be an integral part of the entrance system.

Composite Side Panel Options

Composite side panels are available to match selected door styles, or choose the Augusta Long which can go with any door.

Max/Min heights including Standard Outer frame heads

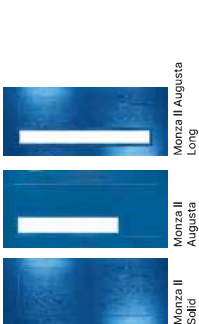

EUROCELL min width 805mm max width 1033mm
VEKA min width 790mm max width 1018mm

EUROCELL min width 834mm max width 1033mm
VEKA min width 819mm max width 1018mm

EUROCELL min width 859mm max width 1033mm
VEKA min width 866mm max width 1018mm

MAXIMUM & MINIMUM HEIGHT
 Without Frame Extenders or Cills

eurocell
 All together better

	Maximum Heights including standard outer frame	Minimum Heights including standard outer frame
Std 80mm PVC threshold	2131mm	2031mm
Low 65mm PVC threshold	2117mm	2017mm
Ali. Low Threshold	2086mm	1986mm

Using slim Composite Door outerframe, the overall minimum widths can be reduced by 29mm

MAXIMUM & MINIMUM HEIGHT
 Without Frame Extenders or Cills

VEKA

	Maximum Heights including standard outer frame	Minimum Heights including standard outer frame
Std 68mm PVC threshold	2117mm	2017mm
Ali. Low Threshold	2085mm	1985mm

EUROCELL min width 881mm max width 1033mm
VEKA min width 866mm max width 1018mm

The minimum widths shown are the very minimum we can supply a door at, however, this is dependant on the handle/lock options required. For Eurocell doors we do not recommend going below 830mm in slim 65mm outer frame or 859mm in the standard 80mm outer frame in any case.

Please contact your installer/supplier for clarification

Lockdown mode

Hidden locks **engage** when attacked

25% **denser** than iron

The hidden locks that secure your home when attacked are housed deep in the molybdenum core.

This is 25% denser than iron and gives extreme protection from screwdrivers, flammers and drills.

Frame Colour Options

Additional colours and finishes available upon request.

Some colours may be special order depending on door opening direction and outerframe thickness. Please check with your installer/supplier.

Frame colours may differ slightly from door colours.
